APPLYING FOR ACCES-VR SERVICES

IEP/CSE planning or other school discussions prior to junior year should include the consideration of a referral to ACCES-VR so that you can make an **informed choice** about applying. You don't need to have an IEP to apply!

Transition staff at your school will help you decide when you should apply, help you complete forms, send forms home for your parent or guardian to complete/sign, and send the entire packet to ACCES-VR once it's complete.

ACCES-VR is **Voluntary**. You choose if you want to apply for services or not.

ELIGIBILITY FOR ACCES-VR SERVICES

There are four things student and counselor must establish to determine eligibility for ACCES-VR services.

- o That the student has a *disability*
- o That the disability creates an *impediment* to employment
- o That the student can *benefit* from rehabilitation services
- o That *vocational rehabilitation services are required* to achieve employment

Having an IEP or a 504 plan does not guarantee eligibility for ACCES-VR. All of the above criteria must be met.

Timelines:

- o Federal regulations allow 60 days from application to determine eligibility or ineligibility.
- o Sometimes this decision can be made before you meet with a VR counselor. Sometimes the counselor will need to meet with you to make the determination.
- o When you are determined eligible or ineligible you will get a letter.
- o If you are eligible, services will not begin until you have met with your counselor and developed a plan.

MEETINGS WITH YOUR ACCES-VR COUNSELOR

While you are still attending high school:

- o You **may** meet at your school.
- o Your parent or guardian will be invited
- o A transition staff person at the high school will help schedule these meetings.

At the first meeting:

- o Your ACCES-VR counselor will talk with you about your plans when you leave high school.
- o You will talk about your ideas about a job goal and the services you will need to become employed.

Once you leave high school:

- o Meetings will be at our district office or in a community **location**.
- o You will schedule these meetings directly with your ACCES-VR counselor.

DEVELOPMENT OF THE EMPLOYMENT GOAL

Everything ACCES-VR does is directed toward helping you to reach an employment goal.

You will meet with your ACCES-VR counselor as often as you need, to:

- o Choose a realistic and achievable goal
- o Decide how you will gain the skills you will need to do the job
- o Decide what help you need to find a job
- o Figure out what supports you need to keep a job and who will be able to provide them

SERVICES TO HELP YOU GET A JOB

All services are directed toward helping you to reach an **employment goal** and are based on your **individual needs**.

ACCES-VR is NOT a financial aid program.

- o But some services ARE based on your family income (*) - see below
- o You **may** need to provide your family tax return and records of expenses annually.

Examples of types of services include:

- o Vocational counseling
- o Assessment for career planning
- o Assessment for assistive technology needs
- o Purchase of assistive technology (*)
- o Funding toward the cost of education or training after high school (*)
- o Assistance with some transportation costs (*)
- o Funding for academic support services (note takers, tutors)
