### **1. SCOPE**

This investment policy applies to all moneys and other financial resources available for investment on its own behalf or on behalf of any other entity or individual.

### **2. OBJECTIVES**

The primary objectives of the BOCES' investment activities are, in priority order,

- to conform with all applicable federal, state and other legal requirements (legal);
- to adequately safeguard principal (safety);
- to provide sufficient liquidity to meet all operating requirements (liquidity); and
- to obtain a reasonable rate of return (yield).

### **3. DELEGATION OF AUTHORITY**

The governing board's responsibility for administration of the investment program is delegated to the treasurer who shall establish written procedures for the operation of the investment program consistent with these investment guidelines. Such procedures shall include an adequate internal control structure to provide a satisfactory level of accountability based on a data base or records incorporating description and amounts of investments, transaction dates, and other relevant information and regulate the activities of subordinate employees.

### **4. PRUDENCE**

All participants in the investment process shall seek to act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence in the BOCES to govern effectively.

Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the safety of the principal as well as the probable income to be derived.

All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

## **5. DIVERSIFICATION**

It is the policy of the BOCES to diversify its deposits and investments by financial institution, by investment instrument, and by maturity scheduling.

## **6. INTERNAL CONTROLS**

It is the policy of the BOCES for all monies collected by any officer or employee of the government to transfer those funds to the treasurer within three business days of receipt, or within the time period specified in law, whichever is shorter.

The treasurer is responsible for establishing and maintaining an internal control structure to provide reasonable, but not absolute, assurance that deposits and investments are safeguarded against loss from unauthorized use or disposition, that transactions are executed in accordance with management's authorization and recorded properly, and are managed in compliance with applicable laws and regulations.

In the event that the

securities are not registered or inscribed in the name of the BOCES, such securities shall be delivered in a form suitable for transfer or with an assignment in blank to the BOCES or its custodial bank.

The custodial agreement shall provide that securities held by the bank or, trust company, or agent of and custodian for, the BOCES, will be kept separate and apart from the general assets of the custodial bank or trust company and will not, in any circumstances, be commingled with or become part of the backing for any other deposit or other liabilities.
