

CV-TEC

TEC KidNectons!

Course Enrollment Application

Directions: *TEC KidNectons!* courses are designed to familiarize parents/caregivers and their children with the wonderful world of Career and Technical Education or "CTE." CV-TEC has served thousands of students from more than a dozen North Country School Districts for over 60 years! We are proud to make our CTE classrooms and our teachers available so that they might share their expertise with you and so that you and your family members might better understand the service we provide to our communities each day.

TEC KidNectons! Courses have been designed for one parent/caregiver alone or for one parent/caregiver with up to 2 children. In this way, we hope to ensure that each participant obtains the maximum amount of CTE exposure!

The cost per course is calculated at \$10 per contact hour (Per Seat: Adult or Child). Children with an accompanying adult will receive a reduced cost of \$5 per contact hour per seat. Children 12-18 may participate. ***Restrictions apply and costs may vary due to materials and supplies.**
