

Business Management & Entrepreneurship

2-Year Program

Plattsburgh Main Campus

Students will learn extensive financial, marketing, and administrative concepts and procedures; including business communications, business systems, management, and entrepreneurship. In collaboration with industry leaders, students will apply the business skills gained to conceive, plan, and create a business plan. They will create a professional portfolio that will provide a winning edge for immediate or future employment. Students will also have the opportunity to earn dual and articulated college credit forging multiple pathways to further education or directly into the workplace.
