Scan the two QR Codes or click on the two links to submit your required CV-TEC Enrollment Paperwork so you can begin on the first day of classes:

- **Attendance Expectations**

Attendance of all school-age students of compulsory age and who attend a CVES program will have their attendance taken daily in accordance with established NYSED guidelines and CVES reporting procedures.

- **Microsoft Teams**

To prepare for multiple modes of learning, Microsoft Teams will be used in all CV-TEC Programs and classes as part of the instructional process for the 2022-2023 school year. This instructional tool will go into effect at the start of the school year .

- **Equity**

- Students without access to technology will be referred immediately to the building principal who will engage with the CVES Technology Department and the Home-school to assist with the issuing of a device.
- School Counselors will be available to meet with students in need of additional supports;
- Teachers will be available during school hours to work individually with students;
- Attendance will be regularly monitored. Students with extenuating circumstances will be reviewed on a case by case basis.
- Curriculum materials will be translated to different languages as needed including but not limited to ASL (American Sign Language).
