

*SkillsUSA is a national organization serving a quarter-million high school students, college students, and professional members who are enrolled in technical, skilled, and service occupations, including health occupations.*

## **BECOME AN ACTIVE MEMBER OF SkillsUSA Today!!**

### **What is SkillsUSA?**

SkillsUSA is a student leadership organization for students who attend a technical high school like CV-TEC.

### **Who Can Join SkillsUSA?**

All Students at CV-TEC are National & State SkillsUSA Members. Students must activate their CV-TEC SkillsUSA Membership to be eligible for the CV-TEC SkillsUSA Chapter benefits. Adult students are welcome to join, but cannot compete.

### **What Will I Do If I Activate my CV-TEC SkillsUSAMembership?**

As an active CV-TEC SkillsUSA member, you will participate in many school activities such as school and community service projects, fundraising events, “members only” events, leadership training, and many others.

You may even be selected to represent CV-TEC at SkillsUSA sponsored Career & Technical Education Competitions! Winners of these competitions often win thousands of dollars in scholarship money and prizes. Competitions are held at the local, regional, state, national, and international levels.

Most importantly, all of our SkillsUSA members have A LOT OF FUN!

### **When Can I activate my CV-TEC SkillsUSA Membership?**

You can activate as early as the first week of classes at CV-TEC!

The deadline to become an active CV-TEC SkillsUSA member is December 1. You will not be permitted to participate in member only events, until you activate your membership.

### **Who Do I See About Activating my CV-TEC SkillsUSA Membership?**

Ask your teacher for more information or email Ms. Santaniello at [Santaniello\\_nicole@cves.org](mailto:Santaniello_nicole@cves.org)

### **Does It Cost Any Money To Activate my CV-TEC SkillsUSA Membership?**

Yes. Each active member is responsible for paying a \$5.00 membership activation fee. The fee extends your membership to full benefits in our CV-TEC SkillsUSA Chapter.

### **Where Can I Get More Information About SkillsUSA?**

Presentations will be made about SkillsUSA during the first few weeks of school. Your teacher can also answer questions you may have or will be able to direct you to someone who can help.

The BEST way, however, to get more information about SkillsUSA is to talk with someone in your class who was a member last year.

### **Are Students Directly Involved in SkillsUSA Decisions?**

Yes! There is a team of senior officers. The SkillsUSA Chapter officers work to make sure the chapter runs smoothly and plan events.
