- *Students, family and community are valued partners for success.*
- *We ensure a safe, supportive learning and work environment.*
- *We all impact the educational process and are dedicated to perform at the highest possible levels.*

Welcome to CV-TEC

The **Clinton, Essex, Warren, Washington Board of Cooperative Educational Services (CEWW BOCES)**, also legally known as **Champlain Valley Educational Services (CVES)**, serves 16 public school districts in four Northern New York Counties. It is comprised of three separate *divisions*: **CV-TEC** (the division providing Career and Technical Education instruction to secondary and adult students), **Rise Center for Success** (the division providing Special Education services to Northern New York secondary students), and the **School Support Services (S3)** (the division providing a range of services and professional development opportunities to North Country teachers). It should be noted that from its inception, **CV-TEC** has distinguished itself from other CVES services by its mission and its wide range of Career and Technical Education (CTE) programs. As a division, **CV-TEC** provides educational services on three separate campuses: the **CV-TEC Plattsburgh Campus**, the **CV-TEC Learning Hub**, and the **CV-TEC Mineville Campus**.

The **CV-TEC** division of Champlain Valley Educational Services (CVES) has had a long and distinguished history of serving the **Career and Technical Education (CTE)** needs of high school and adult students throughout our region. As a *public* education institution **CV-TEC** receives its mandate from the **NYS Legislature**, its oversight and direction from the **New York State Education Department (NYSED)** and **component district BOE representatives**, and many of its technical standards and practices through various **state and national professional associations and organizations**.

CV-TEC Plattsburgh Campus

CV-TEC's Plattsburgh Campus is located at 1585 Military Turnpike in Plattsburgh, New York. The Plattsburgh Campus offers 18 programs open to adults, including: Allied Health; Animal Science: Large Animal Production; Animal Science: Veterinary Assistant; Automotive Collision Repair; Automotive Technology; Business Management & Entrepreneurship; Construction Trades; Cosmetology; Culinary Arts Management; Digital Production & Multimedia Communications; Education and Human Services; EKG; Electrical Design, Installation, and Alternative Energy; Environmental Conservation & Forestry; Nurse Assisting (CNA); Phlebotomy; Practical Nursing (LPN); and Security and Law Enforcement.

The Clery Act

The **Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics (Clery Act)** is a federal law that requires colleges, universities and post-secondary educational institutions eligible to receive Title IV financial aid to disclose information about crime on and around their campuses.

CV-TEC is required annually to file a report with the United States Department of Education (USDOE) identifying crime-related data related to its three campus locations:

CV-TEC Plattsburgh Campus
1585 Military Turnpike
PO Box 455
Plattsburgh, New York 12901

CV-TEC Learning Hub
1449 Rugar Street
Plattsburgh, New York 12901

CV-TEC Mineville Campus
PO Box B 3092 Plank Road
Mineville, New York 12956

CV-TEC’s Annual Security Report is designed to provide the public with important information about the safety and security of our campus.

In addition to outlining the details of the programs CV-TEC offers community members, the report also contains statistics from the previous year concerning reported crimes that occurred on campus, on public property within- or immediately adjacent to- and accessible from, each of its campus locations.

You may obtain a copy of this report by contacting the CV-TEC Learning Hub at 518-561-0100 x 243, or by visiting our website at: www.cves.org.

Our Safety and Security-Related Policies:

CVES Board of Education is committed to the health, wellness and safety of all students on CVES’ campuses. To this end, the Board approves policies and procedures that ensure these goals are met.

The following policies, by number and date of approval, have been passed by the CVES BOE to ensure the safety and welfare of all who attend or who visit our facilities:

Security Awareness and Crime Prevention

In order to ensure the health, wellness and safety of all CVES students, of personnel, and of those who visit our campuses, CVES has created a non-confidential **District-Wide Safety Plan** that describes our Emergency Responses in general terms. This Safety Plan is reviewed annually and may be viewed by contacting our main CV-TEC office.

In addition to the District-Wide Plan, CVES has created specific **Building-Level Emergency Response Plans (Policies: # 8160.2 Building Level Emergency Response Plan for Rise & CV-TEC – Updated 9/22; # 8160.3 Building Level Emergency Response Plan for the Mineville Campus – Updated 9/22; # 8160.4 Building Level Emergency Response Plan for Learning Hub – Updated 9/22)** for each campus serving secondary and post-secondary students. These Building-Level documents are *confidential* as they contain very specific information about our actions prior to, and during an emergency.

In the interest of student, personnel, and visitor safety, CVES has created OSHA/NYS Department of Labor-based **safety plans** that relate to Occupational Safety and Health. As with the District-Wide Safety Plan, these plans are not confidential and are available to all employees through our internal server. These plans include:

- **Exposure Control Plan**
- **Confined Space Program**
- **Lock Out/Tag Out Management Plan**
- **PAD System Protocol**
- **Hazard Communication Program**
- **Respiratory Protection Program for Disposable Respirators**
- **Personal Protective Equipment Program**
- **Respiratory Protection Program**

It should be noted that CVES also undergoes **regular internal and external safety and security reviews**. These include, but are not limited to:

- An **annual safety and security report** from **NYSIR**, our insurance provider. These are reviewed and addressed promptly;
- A 5-year **Facilities Plan** that receives regular oversight and updating featuring all high-cost maintenance issues;
- An annual fire inspection performed in compliance with local and NYS Education Department and local building codes;
- An annual fire alarm system check;
- An annual maintenance check of all fire extinguishers from a third party professional organization;
- A **5-year NYSED-approved Building Condition Survey** undertaken by a BOE-approved architectural firm, Tetra-Tech. This survey gets reviewed thoroughly by the NYSED;
