CVES MISSION
Champlain Valley Educational Services is committed to being a valued and trusted partner by supporting students, schools, and communities to excel through high-quality education, training, and shared services.

Dear CV-TEC Families,

We're excited to welcome you to the 2025–2026 school year! At CV-TEC, we value strong communication between our schools and families to ensure the success, safety, and engagement of every student. That's why we're encouraging all families to **download and use the ParentSquare app**—our main communication platform for important updates and daily information.

📱 **How to Get the ParentSquare App:**
1. Go to the **App Store** (Apple) or **Google Play Store** (Android).
2. Search for **"ParentSquare"** and install the app.
3. Use the **email or phone number on file with your child's school** to sign up.
4. Once logged in, **select CV-TEC** as your school.
5.

🔔 **How CV-TEC Will Use ParentSquare:**
- **Emergency Notifications & School Closures**: Real-time alerts will be sent if weather or emergencies impact the school day.
- **Daily Attendance Notices**: Beginning at 1:30 p.m. each day, ParentSquare will send you a notification message only if your student is **absent**. Please respond to the notification with a message regarding the absence within **2 days**. You may take a photo or scan and upload a medical note. We recommend downloading the ParentSquare app for the best results so that notes can be uploaded directly to the attendance officer. How to Submit an Attendance Note QR codes below

- **Important Reminders**: Upcoming events, calendar updates, testing days, and program-specific info.

We're thrilled to have your student as part of the CV-TEC community. Let's work together to make this a year of **purposeful learning, strong connections, and student success.** If you have any questions, don't hesitate to contact our campus offices.

Sincerely,

The CV-TEC Principals
